The Magnet Export Business Portal supports your business growth by matching you to the right funding, talent, export expertise, and events.

Business Growth

Using Magnet's innovative matching technology, it is now easier for you to identify the right exporting and business growth opportunities. Create your business profile and receive customized information relevant to your craft business, straight to your inbox.

Be the first to get notified about funding and grants, trade missions, export expertise, and events from Global Affairs Canada, Export Development Canada, Business Development Bank of Canada and more!

Talent Acquisition

As an employer, you don't just need talent, you need the right talent. Through a single platform, Magnet also allows you to connect to job seekers with the skills and qualifications needed for the job at hand, making your business competitive.

Looking to hire student talent? Use Magnet's Outcome Campus Connect functionality to access a talent pool of over 1 million students with just one posting.
