# Connect with experience

Postsecondary students and recent graduates can find jobs and skills development opportunities on Outcome Campus Connect (OCC). Connect with employers across Canada who are looking to hire early talent with your experience and education.

## Jump-start your career:

Connect to a national network of employers who are looking to hire student talent from specific schools and fields of study.

## Get the right experience:

Find postings for full and part-time jobs, internships, co-op placements, remote work, and more.

## Apply for work-integrated learning opportunities:

Students who need to complete a placement as part of their academic studies can find meaningful WIL opportunities on OCC.

## Sign up for a free account

Join OCC today to access opportunities and experiences to boost your education and career.

Magnet is a digital platform founded at Ryerson University partnering with education, government, technology, and community services to support Canadians with inclusive growth in today's changing labour market.

Orbis enables leading higher learning institutions to support their students' long-term livelihood through direct delivery of relevant experiential learning, skill development, and job opportunities.
